The applicable portions of Article 105.07 of the Standard Specification shall apply except for the following: The Contractor shall be responsible to locate the vertical depths of the underground utilities which may interfere with construction operations. This work will not be measured or paid for separately, but shall be considered as included in the unit bid price for the item of construction involved.

Per SB 699 (90 day utility relocation law), once right-of-way is clear to award the project, a notice will be sent to the utility companies instructing them to have their facilities relocated within 90 days. Estimated date relocation complete = Letting Date + 135 days

POLICY GUIDELINES

All trees removed from the project area (5 trees, max.) for construction or maintenance purposes will be replaced with deciduous tree species which are native to the District 2 area. Trees will be replaced according to the IDOT Departmental Policy D&E-18 (September 18, 2002). The location of the replacement trees shall be determined by the District 2 Landscape Architect.

COMMITMENTS

The Belvidere Community School District No. 100 will be notified when a construction date has been established for this Project. The Point of Contact is Superintendent James D. Metz at (815) 440-8686, (815) 544-4260 Fax, and/or jmetz@district100.com.

The Contractor shall save two trees located at Rt. Sta. 11+50 and 11+70.
