

5

NOTE FOR SIGN NO. 5: Signs shall be placed at the Illiopolis interchange and at all three legs of the Exit 133 interchange. Four signs shall be constructed and furnished by the contractor and shall be dual post mounted. Exact locations shall be specified by the engineer at time of construction. Signs shall meet all standards and specifications for interstate construction. All costs shall be incidental to the unit price for TRAFFIC CONTROL ROAD CLOSURE.

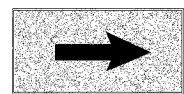

NOTE: Standard BLR-21 shall be used in conjunction with the above road closure layout. Field modifications to the signage layout shall be as directed by the engineer. All costs in facilitating this closure shall be paid for at the unit price for TRAFFIC CONTROL ROAD CLOSURE.
