Addendum B

## NOTICE TO PROSPECTIVE BIDDERS

Attached is an addendum to the plans or proposal. This addendum involves revised and/or added material.

Reason for Addendum:

Clarified Mobilization Specification for payment of bids in excess of 10% of contract.

To All Plan Holders:

Special Provision Changes:

- 1.) Revised Page i Governing Specifications and Rules and Regulations to reflect the latest version of the governing specification.
- 2.) Revised Page 14 SP-105 to reflect changes in the mobilization limit measurement and payment.

Prime contractors must utilize the enclosed material when preparing their bid and must include any changes to the Schedule of Prices in their bid.

Questions on this addendum may be directed to Doug Klonowski of CMT at 630.820.1022.

**GENERAL**

These Special Provisions, together with applicable Standard Specifications, Rules and Regulations, Contract Requirements for Airport Improvement Projects, Payroll Requirements and Minimum Wage Rates which are hereto attached or which by reference are herein incorporated, cover the requirements of the State of Illinois, Department of Transportation, Division of Aeronautics for the construction of the subject project at the Schaumburg Regional Airport, Schaumburg, Illinois.

**GOVERNING SPECIFICATIONS AND RULES AND REGULATIONS**

The “**Standard Specifications for Construction of Airports**”, State of Illinois, Department of Transportation, Division of Aeronautics, adopted September 25, 2020, revised November 12, 2021, shall govern the project except as otherwise noted in these Special Provisions. In the case of conflict with any part or parts of said specifications, the said Special Provisions shall take precedence and shall govern.

Specifications may be obtained at

<http://www.idot.illinois.gov/home/resources/Manuals/Manuals-and-Guides>

Where referenced within the Special Provisions, the Illinois Department of Transportation Standard Specifications for Road and Bridge Construction adopted April 1, 2016 shall apply.
