

STAGE II OVERVIEW

Stage II Construction

- Construct S.N. 072-7004 (tunnel for Rock Island Trail).
- Construct Stage II portion of S.N. 072-0146 (see structure plans).
- Construct storm sewer, curb and gutter, and pavement for the proposed northbound lanes south of Sta. 83+20 and southbound lanes north of Sta. 83+20 as shown.
- Construct multi-use trail.

Stage II Traffic Control

- Set up Traffic Control as detailed on the Stage II plan sheets.
- Place temporary traffic signal heads as directed by the Engineer.
- Use TC&P Standard 701602 to close the outside northbound lane south of Townline Rd.
- Use TC&P Standards 701400, 701401, 701411, and 701428 to close lanes on IL Route 6 as needed for structure work.
- Use TC&P Standard BLR 21 to close Allen Rd. between Alta Ln. and First St.
Sign a detour as shown in the Stage II Detour Details (Detour Route: Alta Rd. to Allen Rd).
- For Hot-Mix Asphalt work on Allen Rd. (Temporary centerline of Allen Rd. Sta. 802+32.08 to Sta. 804+41.17), sign a detour for Brompton Ct. traffic as shown in the Stage II Detour Details (Detour Route: Alta Rd. to Allen Rd. #2).
Use TC&P Standard 701306 to construct hot-mix asphalt while maintaining Brompton Ct. traffic on Allen Rd.

Drop-Off Note:

The excavation for the proposed Aggregate Subgrade Improvement will be within 3' of an open lane of traffic from Sta. 72+39 to 72+85 Lt and from Sta. 73+89 to 78+20 Lt. When these areas are excavated, the proposed Aggregate Subgrade Improvement within 10' of the open lane of traffic shall be placed in the same day to prevent the need for temporary concrete barrier.

Notes:

1. This is a suggested staging plan. The Contractor shall submit any proposed changes to this plan to the Engineer, in writing, for consideration. No changes shall be made to the proposed staging without written approval from the Engineer.
2. Vertical barricades and drums shall be spaced at 20' centers in tapers and at 25' centers for the first 250' of tangent sections. Additional vertical barricades and drums may be placed at 50' centers.
