

STAGE IIIA OVERVIEW

Stage IIIA Construction

-Construct median as shown.

Stage IIIA Traffic Control

-Maintain Stage III traffic control except as shown otherwise at the intersection of Allen Rd. and the southbound IL Route 6 ramps.

-Place temporary traffic signal heads as directed by the Engineer.

Notes:

1. This is a suggested staging plan. The Contractor shall submit any proposed changes to this plan to the Engineer, in writing, for consideration. No changes shall be made to the proposed staging without written approval from the Engineer.

2. Vertical barricades and drums shall be spaced at 20' centers in tapers and at 25' centers for the first 250' of tangent sections. Additional vertical barricades and drums may be placed at 50' centers.
