REASON FOR ADDENDUM:

Special Provision clarification. Specified material (ISAC) discontinued.

TO ALL PLAN HOLDERS:

Delete reference to ISAC in Item 201671 – Crack Control Fabric in the Special Provision (pages 21-25). Reflective crack control fabric shall meet the material requirements and construction methods specified in the Illinois Standard Specifications for Construction of Airports (Effective Date April 1, 2010), Item 201671 201-2.1 Reflective Crack Control System A.

Method of measurement is per linear feet as marked in the field for installation over transverse and longitudinal joints. No change will be made to the Schedule of Prices (dated 05/26/10) to delete the ISAC reference. Payment shall be as specified in the Schedule of Prices for Item AR800262 – Reflective Crack Control - ISAC.
