**23. ADJUSTMENT OF UTILITIES (BY OTHERS):**

The Contractor’s attention is called to the utility facilities within the right-of-way and/or limits of construction. Unless otherwise provided, the adjustment of various facilities will be performed by others.

The plans may not show the location and the working schedules for adjusting it. The various utility companies with facilities within the proposed construction limits have been provided plans for the proposed improvements and have been asked to review same for conflicts. They are prepared to begin making any necessary adjustments to their respective facilities upon receipt of a set of final plans, which they will have one week subsequent to Department approval.
