

GENERAL NOTES

GENERAL NOTES AND CONDITIONS

All earthwork, grading and paving shall be performed in accordance with the "Standard Specifications for Road and Bridge Construction, State of Illinois Department of Transportation, adopted January 1, 2007"; the "Supplemental Specifications and Recurring Special Provisions" (current addition), and all revisions and supplements thereto, and the requirements and specifications of the County of Winnebago.

DISCRIPTION OF WORK

UTILITIES

Exact horizontal and vertical locations of existing utilities shall be determined by the Contractor at no additional cost to the contract. Locations and depths shown on these plans are only schematic representation.

The Contractor shall be responsible for protecting utility property during construction operations as outlined in Article 107.31 of the Standard Specifications. The phone number for J.U.L.I.E. is 800-892-0123. The utilities located within the project limits or immediately adjacent to the project construction limits are members of J.U.L.I.E.
