

Illinois Department of Transportation

2300 South Dirksen Parkway / Springfield, Illinois / 62764

September 12, 2011

SUBJECT: FAU Route 157
(Winn Road)
Project BRM-8003(922)
Section 07-00012-00-BR (Spring Grove)
McHenry County
Contract No 63544
Item 37 A
September 23, 2011 Letting

TO PROSPECTIVE BIDDERS:

To clarify information it is necessary to revise the following:

Proposal: Revised page 1 of the special provisions.

Plans: Revised sheets 7, 9 and 13.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal. Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Since the proposal sheets are printed back to back, bidders are cautioned to exercise care when inserting revised and/or added special provisions into their proposals.

Please call 217-782-7806 if any of the above-described material is not included in this transmittal.

Very truly yours,

Scott Stitt
Acting Engineer of Design and Environment

Engineer of Project Management

STATE OF ILLINOIS

SPECIAL PROVISIONS

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction," adopted January 1, 2007 (and hereinafter referred to as the "Standard Specifications"); the latest edition of the "Illinois Manual on Uniform Traffic Control Devices for Streets and Highways" in effect on the date of invitation for bids, the latest manual for Testing of Materials, the latest edition of the "Illinois Urban Manual" prepared by the U.S. Department of Agriculture Natural Resource Conservation Service in effect on the date of invitation for bids; the latest edition of the "Standard Specifications for Water and Sewer Main Construction in Illinois" in effect on the date of invitation for bids; the "Supplemental Specifications and Recurring Special Provisions" adopted January 1, 2011 as indicated on the check sheet included herein, in effect on the date of invitation for bids, which apply to and govern the construction of Winn Road, Section 07-00012-00-BR, Project Number BRM-8003-(922), Job Number C-91-141-08 in Village of Spring Grove and in case of conflict with any part or parts of said specifications, the said Special Provisions shall take precedence and shall govern.

Contract No: 63544

LOCATION OF PROJECT

Improvements are located on Winn Road (FAU Route 0157) south of the intersection of Winn Road and Main Street (STA 28+00 to 33+38), a total distance of 537.8 feet (0.10 miles), located in Village of Spring Grove, McHenry County, Illinois.

DESCRIPTION OF PROJECT

Work to be performed under this contract consists of the removal and replacement of Winn Road Bridge over Nippersink Creek, and hot-mix asphalt pavement reconstruction, shoulder, shared use path, and guardrail removal and replacement. This work will include, but not be limited to, removal of existing structures, concrete structures, furnishing and erecting precast, prestressed concrete deck beams, concrete superstructure, removal and disposal of unsuitable material, pavement removal, hot-mix asphalt pavement reconstruction, hot-mix asphalt shoulders, curb and gutter, erosion control, topsoil furnish and place, seeding, and all incidental and collateral work necessary to complete the project as shown on the plans and described herein.

Copies of the two (2) Reports of Soil Investigation prepared for the project are available for review at the Village of Spring Grove
7401 Meyer Road
Spring Grove, Illinois 60081
