HOT-MIX ASPHALT CONCRETE MILLING MATERIAL

Effective November 1, 2003

Revised August 3, 2007

All hot-mix asphalt cold millings shall remain the property of the State. The Contractor shall deliver all of the millings to the IDOT facility located at [REDACTED]. The Contractor shall arrange delivery two days in advance with the Field Technician, [REDACTED]. The contact telephone number is (309) [REDACTED].

This special provision shall supersede any reference to ownership of millings in the Hot-Mix Asphalt Surface Removal special provisions.
