

60504

605.04

Designer Note: When inlets are to be filled and it is necessary to connect the existing storm sewer thru the inlet, use the following. 7-1-94 – Revised D.S.P. and Article.

FILLING EXISTING INLETS

Effective July 1, 1990

Revised July 1, 1994

Add the following paragraph to Article 605.04 of the Standard Specifications:

The flow of water through the storm sewer passing through the inlet shall not be obstructed after abandonment. This shall be accomplished by pipe or brick and mortar connections acceptable to the Engineer.
