TO PROSPECTIVE BIDDERS:

To clarify information it is necessary to revise the following:

As part of the Regional Permit Program, the U.S. Army of Corps of Engineers and North Cook Soil & Water Conservation District requested that suggested methods of in-stream flow diversion be included in the plans.

Sheet No. 15A "Suggested Method of Flow Diversion"

This work shall be paid for in accordance with Article 540.04 of the Standard Specifications.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal. Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Since the proposal sheets are printed back to back, bidders are cautioned to exercise care when inserting revised and/or added special provisions into their proposals.

Please call 217-782-7806 if any of the above-described material is not included in this transmittal.

Very truly yours,

Michael L. Hine
