

Illinois Department of Transportation

2300 South Dirksen Parkway / Springfield, Illinois / 62764

February 25, 2008

SUBJECT:

Project SBIL-TE-00D8(113)
Section 03-00026-00-PK & 06-00026-01-MS (Hartford)
Madison County
Contract No 97331
Item 145 A
March 7, 2008 Letting

TO PROSPECTIVE BIDDERS:

To clarify information it is necessary to revise the following:

Proposal- Revised page 17 to reflect added special "Clarification of Special Provisions". Revised Table of Contents.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal. Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Since the proposal sheets are printed back to back, bidders are cautioned to exercise care when inserting revised and/or added special provisions into their proposals.

Please call 217-782-7806 if any of the above-described material is not included in this transmittal.

Very truly yours,

Eric Harm
Interim Engineer of Design and Environment

STATUS OF UTILITIES

There are no public utilities within the construction limits of this Project requiring adjustment, removal or relocation.

The above represents the best information available to the Owner. The applicable provisions of Articles 105.07 and 107.20 of the Standard Specifications shall apply.

CLARIFICATION OF SPECIAL PROVISIONS

In case of conflict between the requirements of "DIVISION 1 – GENERAL REQUIREMENTS" in the Special Provisions and "DIVISION 100 GENERAL REQUIREMENTS AND COVENANTS" in the Standard Specifications for Road and Bridge Construction, adopted January 1, 2007, and the Supplemental Specifications and Recurring Special Provisions, the Local Roads and Streets Special Provisions and the BDE Special Provisions as adopted by the Illinois Department of Transportation for this Project and referring to "DIVISION 100 GENERAL REQUIREMENTS AND COVENANTS", said Standard Specifications for Road and Bridge Construction, adopted January 1, 2007, and any Supplemental Specifications and Recurring Special Provisions, Local Roads and Streets Special Provisions or BDE Special Provisions as adopted by the Illinois Department of Transportation for this Project and referring to "DIVISION 100 GENERAL REQUIREMENTS AND COVENANTS" shall prevail.
