The above represents the best information the Department has available and is only included for the convenience of the bidder. The applicable provisions of Section 102 and Articles 105.07, 107.20, 107.37, 107.38, 107.39, 107.40, and 108.02 of the applicable edition of the Standard Specifications for Road and Bridge Construction shall apply.

The above utility relocation information is reflected as of 7/27/16. Once the proposed right of way is clear and final plans are available, a notice will be sent to the utility companies instructing them to begin relocation of utilities in conflict with the project.

Additional utility information may be obtained by calling the "Joint Utility Location Information for Excavators" phone number, 800-892-0123. This project is located in the Browning and Benton Townships.

UTILITY AVOIDANCE

Utility handholes and pedestals located between station 3+00 left and station 20+00 left shall not be disturbed or buried.

Revised 3-1-18
