**BURIED UTILITIES NOTE**

Buried utilities are shown at their APPROXIMATE location(s) based upon the best available information obtained from utility companies and field evidence. Not all utilities, whether underground or above-ground, are shown in these drawings; other utilities may exist on or adjacent to the subject site that are not specifically shown on these drawings. The Contractor must assume responsibility for all utilities, whether shown in these drawings or not, and must realize that the actual locations of utilities shown may vary from the locations indicated. USE EXTREME CAUTION during excavation and contact U L I E prior to any construction and/or excavation operations. All existing utilities encountered during work pertaining to this project shall be the Contractor's responsibility to maintain in service.

IMPROVEMENT BEGINS  
STA. 49+57.89

IMPROVEMENT ENDS  
STA. 58+46.71
