1-800-892-0123

The above represents the best information of the Department and is only included for the convenience of the bidder. The applicable provisions of Articles 105.07, 107.20 and 107.39 of the Standard Specifications for Road and Bridge Construction shall apply.

If any utility adjustment or removal has not been completed when required by the contractor's operations, the contractor should notify the Engineer in writing. A request for an extension of time will be considered to the extent the contractor's operations were affected.

DISTRIBUTION OF EXISTING PLANS

The Contractor may request electronic copies of the existing plans. The Contractor shall submit a request for electronic existing plans to Willett, Hofmann & Associates, Inc. A digital request via email is preferred; please send to Peter Pascua at ppascua@willetthofmann.com and carbon copy Ian Nilausen at inilausen@willetthofmann.com.
