TO PROSPECTIVE BIDDERS:

To clarify information it is necessary to revise the following:

1. Add plan sheet 63. Plan sheet 63 was missing from the original plans.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal. Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Since the proposal sheets are printed back to back, bidders are cautioned to exercise care when inserting revised and/or added special provisions into their proposals.
