CADD data will be available to Contractors and Consultants working on this project. This information will be provided upon request as MicroStation CADD files and Geopak coordinate geometry files ONLY. If data is required in other formats it will be your responsibility to make these conversions. If any discrepancy or inconsistency arises between the electronic data and the information on the hard copy, the information on the hard copy should be used. Contact the District's Project Engineer to request these files.

It shall be the Contractor's responsibility to contact the municipality to determine approved methods of utility structure adjustment. Utility structures may include, but are not limited to, manholes, water valves, handholes, etc. All materials and work necessary to complete adjustments per municipality requirements shall be considered included in the cost of the associated adjustment pay item.

COMMITMENTS

The following property owner (Parcel 083/83 & 083TE and Parcel 071/71 & 071TE) requested that they be notified at least 15 days prior to closure of any commercial entrances to their property:

Ms Jennifer Farfaras – 773/317-4800 (cell) or
Mr. Harry Farfaras (manager on site during working hours) – 815/962-8009

The property owner, Nicor Gas Co. (Parcel 003/3 & 003TE), requested that they would have access to their property at all times during construction. The Department has agreed to construct the new commercial entrance at Lt. Sta. 8+17 on Harrison Avenue only when full continuous access is maintained at the Kishwaukee Street entrance. Additionally, the Department has agreed to install temporary security fencing along the ROW line with a gate opening to Kishwaukee Street.

The property owner, Reg-Ellen Machine Tool Corp. (Parcel 024/24 & 024TE), requested that IDOT and our contractors stay off the area of private easement agreement between them and Holm-Page Partnership.

The property owner, Amcore Investment Group, NA (Parcel 002/2 & 002TE – Don Ballard property), requested that their commercial entrance at Lt. Sta. 364+15 be rebuilt at the same location. The property owner requested salvage rights to the Kishwaukee Street gate and gate parts. The Contractor will notify the property owners, Don Ballard (815/399-6600 or 815/690-5263) or Randall Ballard (815/399-6600 or 815/243-2094), 14 days prior to the time the Kishwaukee Street gate will need to be removed.

The property owner, Amcore Investment Group, NA (Parcel 002/2 & 002TE – Don Ballard property), requested that the groundwater monitoring well at Sta. 364+22 Lt. at 68 feet will not be disturbed.

The property owner, DRP, LLC (Parcel 022/22 & 022TE), requested that we notify Brad Graves (on site during working hours) at 815/962-3727, 10 days prior to closure of any commercial entrances to their property.

The property owner, RMB Realty Corp. (Parcel 023/23 & 023TE), requested that we notify Mr. Bill Lyle or Mr. Bill Leber (on site during working hours) at 815/962-3727, 10 days prior to closure of any commercial entrances to their property.

The property owner, RGB Realty, LLC (Parcel 028/28 & 028TE and Parcel 031/31 & 031TE), requested that we notify Mr. Mark Guffey (on site during working hours) at 815/963-8876, 10 days prior to closure of any commercial entrances to their property.

The property owner, Phil's Power Plus, Inc. (Parcel 018/18 & 018TE), requested that we replace the crushed stone area of temporary easement, from Lt. Sta. 374+59.59 to Lt. Sta. 375+31.12 and extends 19.88 ft. in depth at the south line to 21.88 ft at the north line, with bituminous asphalt.

The property owner, Michael Wegman (Parcel 046/46 & 046TE), requests that we erect a temporary fence along the temporary easement line from the Northwest corner of his house to the existing fence on the north property line. The fence is to alleviate potential problems with the owner's dogs.

The property owner, Michael Wegman (Parcel 046/46 & 046TE), requested new sidewalk and steps to his existing front porch deck. The Department has agreed to extend the sidewalk and construct new porch steps to the existing front porch deck.

The property owner, Hendricks Commercial Properties, LLC.(Parcel 063/63 & 063TE), requests that all trees and shrubs in the Temporary easement along the East side of the building be removed. Trees and shrubs are located between Stations 386+75 and 390+40 on left side of street.

The property owner, John Kolliker (Parcel 047/47 & 047TE), requested limitations to the temporary easement during negotiations and the Department has agreed. The Temporary Easement is only for the shaping, grading and sidewalk construction. The residence, garage and any other structures located in the Temporary Easement are not to be disturbed by this project.

The Contractor Staking shall also include laying out pavement markings as shown in the plans or as directed by the Engineer. The cost of this work shall be included in the unit bid price for CONTRACTOR STAKING.

The cast-in-place Junction Box shall require a positive barrier around the excavation site. The Contractor shall submit to the Engineer for approval a plan of how the existing traffic will be provided for, and how the excavation site will be protected by the Contractor. The cost of traffic control and positive barrier shall be included in the unit bid price for TRAFFIC CONTROL AND PROTECTION STANDARD 701701.
