TRAFFIC SIGNAL BACKPLATE

Effective: July 1, 2009

Revised: January 19, 2017

This work shall consist of furnishing and installing a traffic signal backplate in accordance with Sections 882 and 1078.03 of the Standard Specifications for Road and Bridge Construction and the following exceptions.

The traffic signal backplates shall be of the same material as the traffic signal heads as specified on the plans. The backplate shall be split to allow installation without removal of the signal head from its mounting bracket. The Contractor shall be responsible for verifying the proposed backplate is compatible and fits the existing traffic signal heads prior to ordering materials.

The following modifications shall be made to Art. 1078.03 TRAFFIC SIGNAL BACKPLATE paragraph 4: A three (3) inch wide strip of reflective sheeting shall be applied to the outside perimeter of the face of the backplates. The reflective tape shall be fluorescent yellow in color and shall consist of type ZZ sheeting.

Basis of Payment: This item will be paid for at the contract unit price each for TRAFFIC SIGNAL BACKPLATE for supplying and installing the traffic signal backplate with reflective tape to the satisfaction of the Engineer.

MODIFY EXISTING TRAFFIC SIGNAL BACKPLATE

Effective: July 1, 2006

Revised: January 19, 2017

This work shall consist of furnishing and installing reflective sheeting on an existing traffic signal backplate as shown on the plans. The existing backplate shall be cleaned according to the manufactures recommendations to remove foreign material and ensure proper adhesion of the reflective tape. A three (3) inch wide strip of reflective tape shall be applied to the outside perimeter of the face of the backplate. The reflective tape shall be fluorescent yellow in color and shall consist of type ZZ sheeting.

Basis of Payment: This item will be paid for at the contract unit price each for MODIFY EXISTING TRAFFIC SIGNAL BACKPLATE for installing reflective tape on an existing backplate to the satisfaction of the Engineer.
