Addendum A

NOTICE TO PROSPECTIVE BIDDERS

Attached is an addendum to the plans or proposal. This addendum involves revised and/or added material.

Reason for Addendum:

To furnish additional background information on existing site topography for bidding purposes only.

To All Plan Holders:

To assist in evaluating site conditions for bidding purposes, the following information is available from the Project Engineer, upon request from prospective bidders:

1. An **Existing TIN** (Triangulated Irregular Network) surface with contour lines, compatible with Civil 3D software.
2. **Existing Pavement Edge** file, compatible with Civil 3D software.
3. The **Proposed Project TIN** surface with contour lines, compatible with Civil 3D software.
4. **Proposed Pavement Edge** file, compatible with Civil 3D software.
5. Acrobat-format **Printouts of the Existing Topography** (four sheets) of the proposed grading areas shown in the Construction Plans.

This information is furnished for bidding purposes only and may be requested of the Project Engineer at the Bidder's option. This information does not alter the proposed work nor does it alter or modify the schedule of Prices or the Construction Plans

Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Questions on this addendum and requests for this information may be directed to Ronald Hudson, Project Manager, of Hanson Professional Services Inc. at 630.368.2059 or rhudson@hanson-inc.com.
