Addendum A

NOTICE TO PROSPECTIVE BIDDERS

Attached is an addendum to the plans or proposal. This addendum involves revised and/or added material.

Reason for Addendum:

Revising Plans Sheet 21 to correct the Structure Table for MH-1. MH-1 shall be a TYPE 8' Manhole – PAY ITEM AR751568.

Addition of Plan Sheet 23 that was inadvertently omitted from the bid plan set. Plan Sheet contains details for PAY ITEM AR751410 – Inlet.

Plan Sheet 25 was inadvertently placed in the plan set twice. There is a difference in the information contained within the UNDERDRAIN PIPE SCHEDULE and UNDERDRAIN STRUCTURE SCHEDULE tables between both sheets labeled Sheet 25. Sheet 25 with the UD-4 & UD-5 INVERT DOWN of 849.10 and DC-1 & DC-2 INV of 849.10 contains the correct table information. Both sheets are to be replaced with Plan Sheet 25A to eliminate confusion.

To All Plan Holders:

Revisions to Plan Sheets:

Replace Plan Sheet 21 with attached Revised Plan Sheet 21A – DRAINAGE PLAN SHEET 1 - Revision made to Structure Table for MH-1.

Insert attached Plan Sheet 23 – DRAINAGE DETAILS 1 into the plan set.

Replace both Plan Sheets 25 with attached Plan Sheet 25A – UNDERDRAIN PLAN

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal.

Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.
