

31206

312.06

Designer Note: Insert into contracts using the construction of HMA stabilized subbase and stabilized subbase (which would allow the Contractor the option of choosing HMA).

STABILIZED SUBBASE (BDE)

Effective: April 1, 2014

Revise Article 312.06 of the Standard Specifications to read:

"312.06 Finishing. The compacted subbase shall meet the lines and grades shown on the plans."
