### **PLAN PREPARATION MEMORANDUM 70-01**

#### **BACKGROUND AND PROCEDURE**

This memorandum revises Plan Preparation Memorandum 77-99.P, Traffic Control Signs for Road Closure and Supplements Chapter 55 of the BDE Manual in providing uniformity and consistency of Work Zone Traffic Control.

District CADD Detail "70200000 - Traffic Control and Protection Devices (Road & Sideroad/street Closures)" should be considered for utilization when a road or sideroad/street is closed to traffic. The Contract Special Provisions should indicate that work associated with mainline road closure will not be paid for separately, but shall be included in the cost of applicable Traffic Control and Protection Standards. All flaggers required at side roads and entrances remaining open to traffic and/or additional barricades required by the Engineer to close side roads and entrances will be paid for according to Article 109.04.
