October 31, 2006

SUBJECT: FAU 2666 (Buffalo Grove Road)
Project ACBHM-8003(213)
Section 00-00254-01-BR
Lake County
Contract No. 83875
Item 99
November 17, 2006 Letting
Addendum (A)

TO PROSPECTIVE BIDDERS:

Due to clarify information necessary to revise the following:

Proposal – Adding “Watershed Development Permit”.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding proposal.

Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.

Very truly yours,

Michael L. Hine
Engineer of Design and Environment

STORMWATER MANAGEMENT COMMISSION

October 20, 2006

Mr. Mike Zemaitis
Lake County Division of Transportation
600 W. Winchester Road
Libertyville, IL 60048

Subject: Watershed Development Permit Application #03-83-106
Prairie Road Bridge over Indian Creek
PERMIT ISSUANCE

Dear Mr. Zemaitis:

Accompanying this letter is the required Watershed Development Permit. This approval is subject to the conditions on the back of the permit including the following:

- Providing prior notification to Tim Cook (of the SMC) of the pre-construction meeting at least 5 calendar days in advance to enable SMC attendance.
- Providing as-built plans of the stormwater management system prior to final seeding. SMC understands that LCDOT will not fully release the Letter of Credit until SMC approves the as-built submittal.
- Please keep copies of the native vegetation seed tags and/or landscaper invoices clearly showing the species of native vegetation that were planted. This information will be required during the as-built review stage.
- SMC recommends adding the following items to the Summary of Quantities (Sheet 4/60) so they are not missed by the Contractor:
 - Turbidity Barrier
 - IDOT Seed Mixes 4A and 4B
 - Water Quality Treatment Structures (Stations 99+54 and 104+71; note that the drawings reference detail drawings but SMC was unable to find them).

This approval is based on the plans entitled:

STATE OF ILLINOIS, DEPARTMENT OF TRANSPORTATION, DIVISION OF HIGHWAYS, PLANS FOR PROPOSED HIGHWAY, FAU ROUTE 2666 (BUFFALO GROVE ROAD) OVER INDIAN CREEK, PRE-FINAL VERSION FOR ACOE AND SMC REVIEW, prepared by Crawford, Murphy and Tilly, Inc., dated January 21, 2005, received by SMC January 23, 2006, 60-sheets.

We would like to be of assistance. If you have any questions or would like to set up the pre-construction meeting please call Tim Cook at (847)918-7691.

Sincerely,

LAKE COUNTY STORMWATER MANAGEMENT COMMISSION

Robert D. Gardiner, P.E.
Permit Engineer

Michael D. Warner, P.E.
Chief Engineer

C: Diane Bouckaert – CMT
