* REVISED : JANUARY 4, 2006							

Method of Measurement. This work will be measured per Lump Sum.

Basis of Payment. This work will be paid for at the contract unit price per Lump Sum for CLEARING, SPECIAL which price shall include all labor and equipment to satisfactorily complete the work.

### **CONCRETE REMOVAL**

Description. This work consist of removing and disposing of the existing concrete wingwalls at the location and to the limits shown on plan details.

Also included in this work is the removal of the existing 12" concrete storm sewer pipe cast into the short wingwall as shown in the plans.

Construction Requirements. This work shall be according to applicable portions of Section 501 of the Standard Specifications, plan details and as directed by the Engineer.

The contractor shall exercise care in removing the concrete wingwall and sewer pipe so as to not damage the storm sewer pipes that are to remain in place. If the concrete sewer pipes that are to remain, damaged during removal operations the damaged pipe shall be repaired to the satisfaction of the Engineer or replaced at the Contractor's expense.

Method of Measurement. This work will be measured for payment in cubic yard.

Basis of Payment. This work will be paid for at the contract unit price per cubic yard for CONCRETE REMOVAL, which price shall include all labor and equipment to satisfactorily remove and dispose of the concrete wingwalls.

Removal and disposal of the existing concrete storm sewer pipe shall not be paid for separately but shall be included in this item.

### **CONCRETE REMOVAL (SPECIAL)**

This work shall consists of satisfactorily removing the concrete waste adjacent to the wingwall that is to be repaired as shown on plan details.

This work shall be in accordance with applicable portions of Section 440 of the Standard Specifications and as directed by the Engineer. The material shall be removed to the satisfaction of the Engineer and disposed of off the right of way.

This work shall be measured and paid for at the contract unit price per cubic yard for CONCRETE REMOVAL (SPECIAL) which price shall be payment in full for removing the satisfactorily disposing of the concrete waste.
