
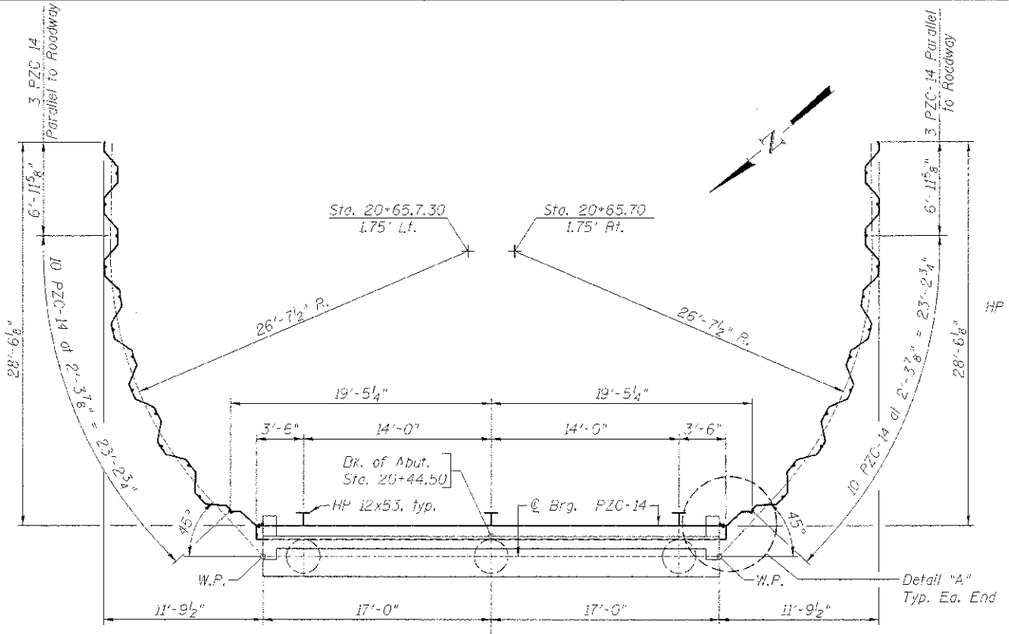
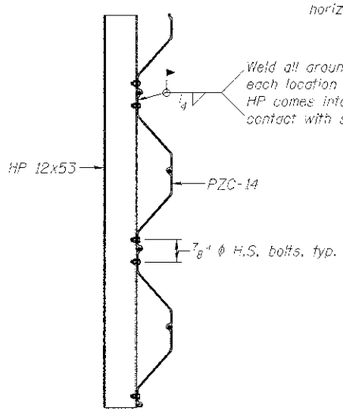
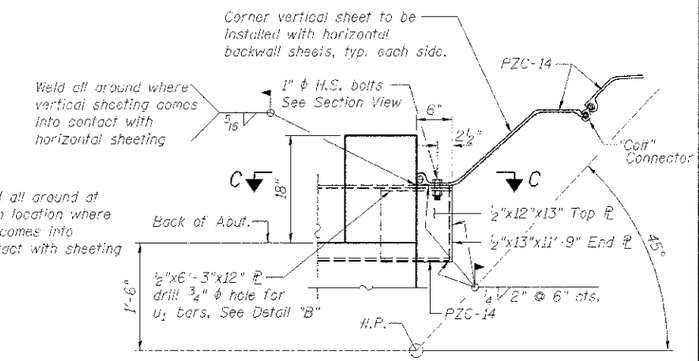
SECTION A-A



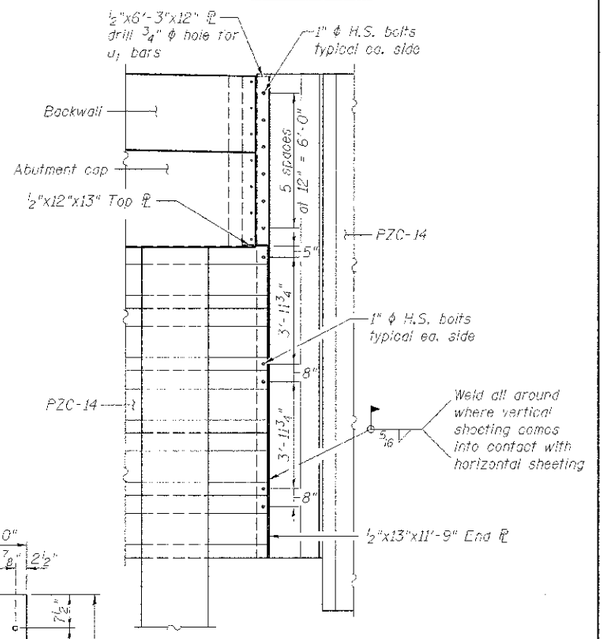
PLAN



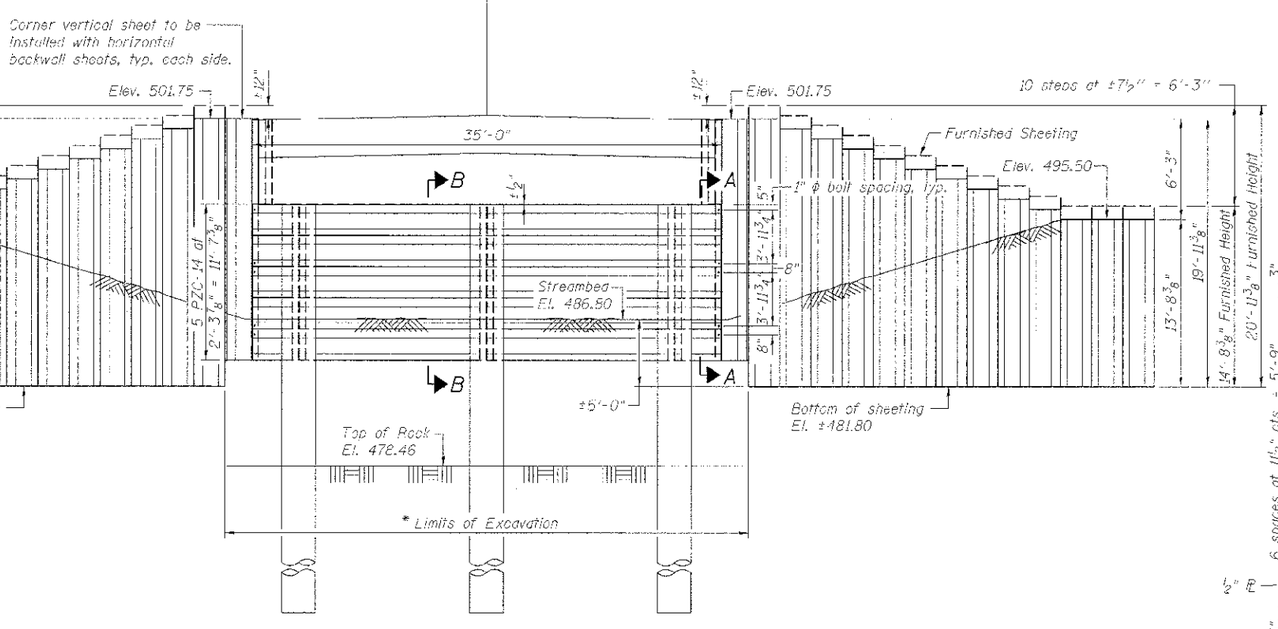
SECTION B-B



DETAIL "A"



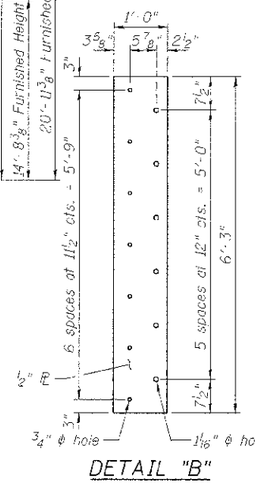
SECTION C-C



ELEVATION

(Looking East)

(Sheeting shown straight for clarity)



DETAIL "B"

NOTES

* Care shall be taken to not excavate beyond these limits.

See Structural sheet 6 of 9 for Bill of Material.

Abutment details not shown for clarity. See Structural Sheet 6 of 9 for details.

The Contractor shall be paid for furnished sheeting as shown and Contractor shall drive the sheeting an extra 6" if top is not damaged, as directed by the Engineer.

Contractor shall shop prime and paint all sheeting, plates and I-beams and only touch-up painting shall be preformed in field.

Sheeting shall be ASTM A572 Grade 50 Hot Rolled.

Cost to cut sheeting after driving shall be included in the Contract Unit Price per Square Foot for Permanent Sheet Piling.
