Underground utilities have been plotted from available surveys and records and, therefore, their locations must be considered approximate only. There also may be utilities for which the locations are unknown. Verification of locations of underground utilities, shown or not shown, will be the responsibility of the Contractor. The following utility companies have facilities within the project limits which may require adjustments:

Name and Address of Utility	Type	Location	Estimated Date Adjustment Completed
Verizon Attn: Rick Shaw 208 W. Union Marion, IL 62959	Telephone/Fiber Optic	Various	None anticipated
Mitchellville Water Dist. Attn: Don Biggs 125 Triple S. Road Harrisburg, IL 62946	Water	Various	None anticipated
Southeastern IL Electric Attn: Dustin Tripp 585 Hwy. 142 South Eldorado, IL 62930	Electric	Various	None anticipated

Additional utility information may be obtained by calling the “Joint Utility Location Information for Excavators” phone number, 800-892-0123. This project is located in the N ½ of the SW ¼ of Section 34, T9S, R6E and in the NE ¼ of Section 15, T10S, R6E.

TWO WEEK NOTIFICATION PRIOR TO STARING WORK

Revise the first sentence of Article 107.09 Public Convenience and Safety to the following “The Contractor shall notify the Engineer at least 14 days in advance of starting any construction work.”

This additional notification is required so that the public can be notified of the pending construction.

KEEPING ROADS OPEN TO TRAFFIC

It is the intention of the Department to limit the amount of time that lane closures are in place. Therefore, FAP Rte. 132 (IL 34/145) shall be kept open to two lanes of traffic prior to the Contractor receiving all materials needed to perform all staged work..

The closure of Willow Grove Road shall be limited to a maximum of 4 weeks during stage 1 construction of S.N. 083-0019.

While performing construction operations, the Contractor shall work only on one side of the pavement at a time and shall keep all equipment, materials, and vehicles off the pavement and shoulder on the side of the pavement that is open to traffic.
