

Revised 7-1-94

Designer Note: To be used when new structures (i.e. inlets, manholes, etc.) are to be built and the existing drainage system is to be connected. The connection will not be paid for separately but will be included in the cost of the respective structure work. Revised Section and Article 7-1-94.

EXISTING DRAINAGE PIPES CONNECTED TO NEW STRUCTURES

In accordance with Section 602 of the Standard Specifications, the connecting of existing drain tiles, pipe culverts, or storm sewers to the proposed drainage system structures will not be paid for separately but shall be considered as included in the pay items provided.
