

Designer Note: Use this BDE special when a specified number of days to complete specific tasks are desired, regardless of weather or other potential delays. An amount of working days to complete clean up tasks shall be allowed after the completion date. Do not confuse or use this special in conjunction with District special "Date of Completion (Plus Working Days)" or BDE special "Working Days." Consult with your Project Engineer and Construction before use.

### **COMPLETION DATE (VIA CALENDAR DAYS) PLUS WORKING DAYS (BDE)**

Effective: April 1, 2008

The Contractor shall complete \_\_\_\_\_ work on or before the completion date of this contract which will be based upon \_\_\_\_\_ calendar days. After the completion date, an additional \_\_\_\_\_ working days will be allowed to complete \_\_\_\_\_.

The completion date will be determined by adding the specified number of calendar days to the date the Contractor begins work, or to the date ten days after execution of the contract, whichever is the earlier, unless a delayed start is granted by the Engineer.
