Addendum A

NOTICE TO PROSPECTIVE BIDDERS

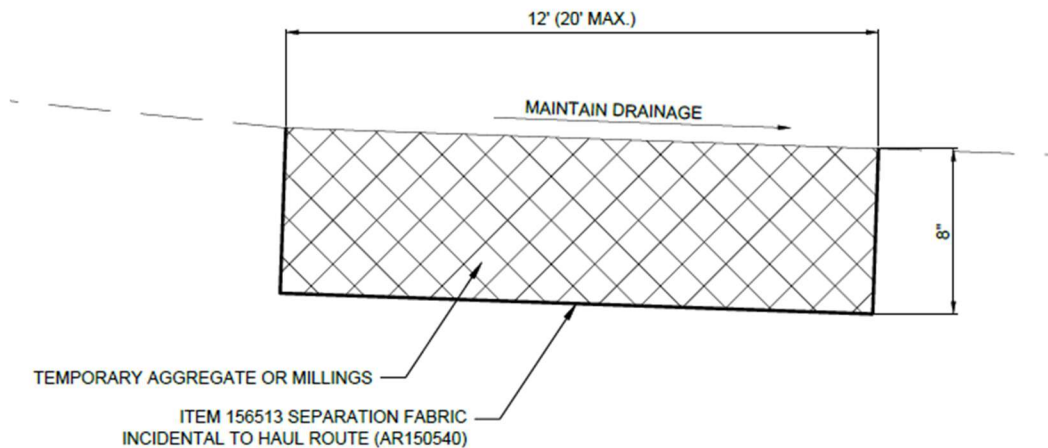

Attached is an addendum to the plans or proposal. This addendum involves revised and/or added material.

Reason for Addendum:

More detailed information is being provided regarding the proposed haul route.

To All Plan Holders:

The detail and notes below apply to the proposed haul route.

1. Haul route to be removed at project completion. Incidental restoration will be required and may include tillage of any existing farm ground due to compaction, seeding and mulching of stockpiles, and additional aggregate to correct any deficiencies due to hauling operations.
2. Resident engineer/technician will confirm haul route limits/location prior to installation. The contractor may increase width/depth of haul route at their expense if necessary. Max size of staging area is 150' x 150'.
3. All work and materials involving haul route shall be paid for under item ar150540 "haul route" – per Lump sum.

Plan Changes:

None

Special Provisions Changes:

None

Schedule of Prices Changes:

None

Prime contractors must utilize the enclosed material when preparing their bid and must include any changes to the Schedule of Prices in their bid.
