**SUBJECT:** Permit No. DS2018071 – Approval of Revised Plans  
Temporary Causeways  
Illinois River  
Peoria and Tazewell County

Illinois Department of Transportation

Attn: Nicholas Jack

Peoria, Illinois 61602

Dear Mr. Jack:

In accordance with your phone call of October 30, 2018, revised plans for the work authorized by the subject permit are hereby approved.

The revised plans are entitled:

**MCCLUGAGE BRIDGE CAUSEWAY ACCESS PLAN**  
(Sheet 1 of 1, Plot Date 2/14/2018, Received by email October 1, 2018),  
**and MCCLUGAGE BRIDGE DREDGING ACCESS PLAN**  
(Sheet 1 of 1, Plot Date 2/14/2018, Received by email October 1, 2018).

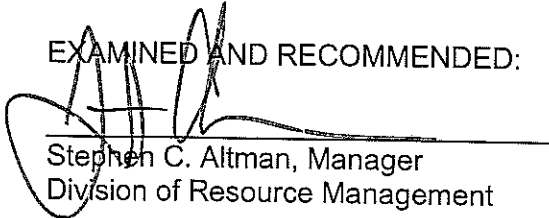

The revised plans, which are in addition to the previously approved plans, show the location and design of the proposed temporary causeways to facilitate the replacement of McCluggage Bridge. The temporary causeway will be used until Spring of 2023. This approval is based on our determination that the proposed revisions will have negligible impacts to the storage or conveyance of the Illinois River. As such, the project complies with our Part 3700 Floodway Construction rules.

All other conditions of the permit remain in full force and effect. This authorization does not supersede any other federal, state or local authorizations that may be required for the revision.
