**STEEL PLATE BEAM GUARDRAIL**

This work shall be according to Section 630 of the Standard Specifications and the applicable Highway Standards except as modified herein.

Add the following to Article 630.01:

“The guardrail installation will require attachment to the proposed box culvert at Riverside Drive over Dutch Creek.”

Revise the 3<sup>rd</sup> paragraph of Article 630.08 to read:

“Steel plate beam guardrail mounted on existing culverts will be paid for at the contract unit price per foot for STEEL PLATE BEAM GUARDRAIL, of the type, and length specified.”
